My Dear Sir

*It is all right your turning
 over the \$500. to Dr. Robert - on Ref: Harkins-
 sons letter, which I have approved. Take
 a Memoranda receipt, to be afterward
 replaced by receipts carefully obtained by
 Dr. Robert in the detailed transactions
 incident to his Experiment -*

Genl L. D. Le Pass -
Dear Sir: The Hospital is very much
in need of a general overhauling. The
walls need calcimining & the woodwork
needs should be painted. I also want
that a nice washstand be purchased
for each of these rooms, and a washstand
to keep the Hospital from looking so in.
These things are necessary in order that
we keep things nice and comfortable
for the Sick. We have had two
epidemics of measles, one of mumps and
also the Typhoid in the Hospital since
it has been overhauled.
